Commander Cohen:
Click on the links below and you will see the camera layouts. You can adjust as you wish. SMPD are the experts. We will add Rancho Hermosa as well.
Thank you.
Sanford Riggs

Subject: SB Housing Authority x Santa Maria PD x Flock Safety

Corporal Best,

I hope that your week is going great. My name is Anton Benbalit and I am Jesse Mund's counterpart for Flock in Southern California as he transitions into Major Accounts. I'm reaching out today because I have been working with Sanford from the Santa Barbara Housing Authority. He wanted me to send over information regarding the deployment of cameras they are considering for four locations around Santa Maria. I've outlined that information down below:

- Here is the link to the Depot Street deployment (2 cameras)
- Here is the link to the Central Plaza deployment (3 cameras)
- Here is the link to the Evans Park deployment (6 cameras)
- Here is the link to the 1092 E Chapel deployment (3 cameras)
- I've attached all four of the agreements to this email.
- The total cost of implementation is $39,900 for 14 cameras. $35,000 is the yearly cost of the cameras and $4,900 ($350/per camera) is the one time implementation fee.

Do not hesitate to contact me if you have any questions via email or directly on my cell at (206) 432-1524.

Talk to you soon.
- Anton
